

1. Name: Dr Mohammed Mohiuddin
2. Current/Present position: Chief Research Officer (Forest Management Wing)
3. First joining date: 6th August 1984
4. Educational qualification: B Sc. (Hons), M. Sc (Botany), M.Sc. (Biocomposite Technology), Ph.D (Forestry)
5. Experiences: 33 yrs experience in Forestry Research
6. Specialization: Wood and bamboo anatomy, Biodiversity and Agro-biodiversity and Traditional knowledge.
7. Publications: (Nos.): 57 (scientific) and 10 popular articles in Bangla
 - a. **Thesis:**
 - M.Sc. thesis: M. Mohiuddin. 1983. *Studies on Diallel analysis of Mung Bean (Vigna radiata L.)*. Chittagong. Department of Botany, Chittagong University, Chittagong.
 - M.Sc. thesis: M. Mohiuddin. 1999. Anatomical studies of Five Timbers Species of Guttiferae, *Bangladesh*, Department of Department of Biotechnology, University of Wales, Bangor, United Kingdom.
 - Ph. D. Thesis: M. Mohiuddin. 2009. Studies on Traditional Knowledge of Plant Uses and Their Conservation Prospects by Upland Communities in Bandarban Hill District, Bangladesh, University of Chittagong, Bangladesh.
 - b. **Scientific papers and Bulletins**

Alam, M. K. and Mohiuddin, M. 1987. Economic aspects of the Verbenaceae in Bangladesh: a review. *Bano Biggyan Patrica* 16(1&2): 63-72

Alam, M.K. and Mohiuddin, M. 1988. *Tree species for homestead in Bangladesh*. National Workshop on Homestead Plantation and Agroforestry in Bangladesh. Agroforestry Agriculture Research Institute, Joydebpur, 20pp.

Mohiuddin, M. 1990. Wood Anatomy of Six Low Density Hardwoods (*Alstonia scholaris*, *Anthocephalus chinensis*, *Bombax ceiba*, *Bombax insigne*, *Excoecaria agallocha* and *Trewa nudiflora*) of Bangladesh. Bulletin 9, Wood Anatomy Series, Bangladesh Forest Research Institute, Chittagong, 28pp.

Alam, M. K. Mohiuddin, M. and Guha, M. K. 1991. *Trees for low-lying areas of Bangladesh*. Bangladesh Forest Research Institute, Chittagong, 98pp.

- Mohiuddin, M. 1991. Occurrence of *Shorea robusta* Geartn. F. Wood under the riverbeds of greater Dinajpur District. *Bangladesh Journal of Forest Science* 20(1&2): 65-68.
- Alam, M. K. and Mohiuddin, M. 1992. Some potential Multipurpose Trees for Homesteads in Bangladesh. *Bangladesh Agricultural Research Council, Dhaka*. 24pp.
- Mohiuddin, M. and Das D. K. 1992. *Wood Anatomy of Ten Important Village Tree Species of Bangladesh*. Bulletin 14, Wood Anatomy Series, Bangladesh Forest Research Institute, Chittagong, 14pp.
- Mohiuddin, M. and M. K. Alam, 1992. Pith behavior in the culm of *Dendroclamus giganteus* Munro (Bambusoideae: Poaceae). *Bangladesh Journal of Forest Science* 21(1&2): 54-59.
- Alam, M. K., Ahmed F. U. and Mohiuddin, M. 1993. Agroforestry practices in forestland, In: Chowdhury, M. K. and Tej, B.S. Mahat (eds). *Agroforestry - Farming Linkages in Bangladesh*. BARC- Winrock International, Agroforestry and Participatory Forestry Research and Training Support Program, Dhaka, pp. 87-122.
